The Op Shop has been very successful in the last year and the shed has been open on the last Saturday of each month and usually on the Saturday of the public holiday weekends. The shed takes donation of furniture and electrical items and we receive lots money from each sale. Thanks to the people who donate these items.

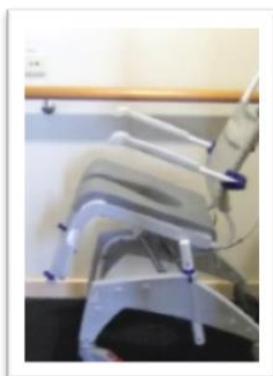

For our Christmas lunch we went to the Price Hotel which was well supported by our volunteers.

The overall income from the Op Shop and shed sales, raffles and sundries for the last financial year was approx. \$77,000.00 and donations to the Hospital amounted to approx. \$45,700.00.

Items purchased for the hospital include: 4 x Headphones for clients, Microwave, Communication System, BP machine, 5 x Patient beds and mattresses, 2 x patient lifters, Bariatric shower chair, Dinner set, shade sail with installation, Patient sling, Patient grab rails for beds, bench seat for the Hospital Memorial garden, carpet for Aged Care and 3 Dining tables for Aged Care section.

We also donated a defibrillator to the Ardrossan Country Fire service (CFS)

Feedback on the Op Shop is very positive and we look forward to another busy and happy year.

The committee members would like to thank all our volunteers for their hard work and support over the year.

A huge thanks to our members who have left the shop and community for all their work and welcome to our new volunteers and we hope that you have a happy and enjoyable time working in the shop.
