The Op Shop has been very successful in the last year and the shed has been open on the last Saturday of each month and usually on the Saturday of the public holiday weekends. The shed takes donations of furniture and electrical items and we get lots of each for sale. Thanks to the people who donate these items.

For our Christmas Lunch we went to the 'The Ventnor Hotel' at Port Vincent, which was well supported by our Volunteers.

The overall income from the Op Shop and Shed sales, Raffles and Sundries for the last financial year was \$87,150 and donations to the Hospital amounted to approx.

\$58,670.

Items purchased for the hospital include: Defibrillators for CFS + Town Square, Shower commodes, chairs and tables, Med Sig Project and IPOC machine, Portable shower chair/commode.

Feedback on the Op Shop is very positive and we look forward to another busy and happy year.

The Committee members would like to thank all our volunteers for their hard work and support over the year. To our members who have left we would like to say Thanks Very Much for all their work and welcome to our new volunteers and we hope that you have a happy and enjoyable time working at the shop.

Di Walker
